

# LED utility light

LED flood light for general lighting applications

Beam angle 120°

Rated IP65

Bridge lux LED packages

Meanwell integrated power supply

Optional daylight harvesting and motion detection system

Surface mount and wall mount options

Marine grade powder coat white finish

80% energy and maintenance savings

Maintenance free glass lens

Colour temperature: 5000K

Colour rendering index >70

50,000 hour L70 lamp life

System luminous efficacy >100 lm/W

Dimensions (10W) 130x100x115mm, (30W) 260x175x243mm, (50W) 315x190x283mm

Weight (10W) .8kg, (30W) 2.5kg, (50W) 4.2kg

## Specifications

Technology	Light Emitting Diode
LED Power	10W, 30W and 50W
Voltage	12VDC, 24VDC, 240VAC
Life	50,000 hrs
Luminous Flux	760lm (10W), 2200lm (30W), 3800lm (50W)
Weight	0.8kg (10W), 2.5kg (30W), 4.2kg (50W)
Environmental protection	IP65
Finish	White powdercoat
